

Guidelines for 4-H Clubs: Chartering/Re-chartering/Seals

Revised 2006

One of the important components of the club process is Chartering. The Club Charter identifies a group as an organized 4-H club and is authorized to use the 4-H name and emblem for educational purposes. Charters stay with the club as long as it is in existence. All clubs are expected to operate within the chartering framework and utilize best practices of youth development.

The charter does not have to be renewed when leaders change or minor revisions are made in the club structure (i.e. the club changes from a community club to a project specific club). However, in the case of a chartered club that splits into two (or more Clubs) due to growth in club numbers, project club development, organizational changes, etc. the Charter should remain with the original founding individual, sponsoring agency or group. All money raised by the chartered club should remain with the original chartered club. The new club(s) should move immediately to reorganize and file for a charter under their new name and leadership.
