Greetings, everyone! We are excited to welcome you to the 2016 North Carolina 4-H State Council Conference! This event is just one of many that allows us as 4-H'ers to join together from the mountains to the coast to not only grow and learn, but to join together and celebrate all that 4-H is about! Whether it is your first time attending or you're a seasoned State Council attendee, we're sure you will have a good time. Throughout this two day event, we hope you will reconnect with old friends, make new ones, gain exposure to new ideas, and challenge yourself to think outside of the box. You will have the opportunity to further your skills by attending a variety of workshops that will teach us how to plan impactful projects, understand others' leadership styles, and much more! With the new knowledge and experiences you gain this weekend, we hope that you will leave prepared to **Give, Lead, and Inspire** in your community! We are so glad you could join us for State 4-H Council Conference. It is sure to be an unforgettable event! We hope you will enjoy actively participating in these workshops, and will take what you learn to make the best better!

Your State Officer Team, Alea, Ruth, Brian, and Daniel
