

North Carolina 4-H International Exchange

2020 COSTA RICA INBOUND PROGRAM

Host an international delegate from Costa Rica in your home this summer and bring the richness of the world to your family with a global perspective!

Host a Costa Rican Youth Delegate or Chaperone this Summer through NC 4-H International Programs!

Invite a Costa Rican youth or chaperone into your home for four weeks and share an American experience. Expand your family's cultural understanding, learn about new foods and customs, and possibly a new language all while sharing your own. Your children will build lifelong friendships and gain new perspectives on their own country!

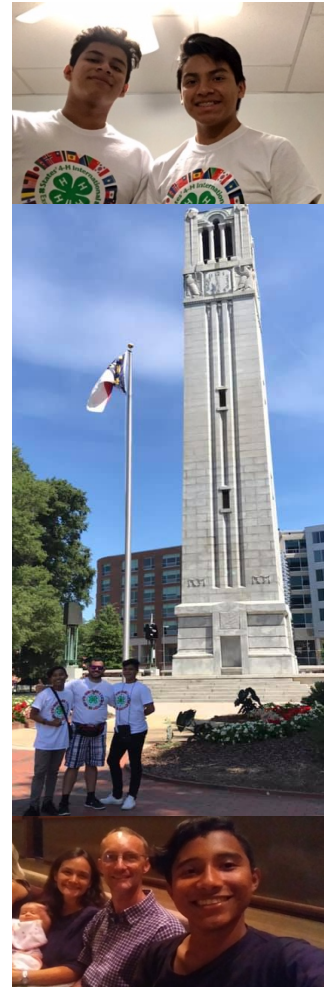

Open your home to an exchange student and open your lives to the world!

2020 HOSTING PERIOD: Mid June (arrival) to Mid July (depart)

- You can host a youth aged 12-18 or an adult chaperone.
- Youth have a range of English language abilities, so host families should be prepared to communicate imaginatively.

HOST FAMILY REQUIREMENTS

- You must have a child of the same gender who is within 3 years of the hosted youth (children aged 10+ are eligible to host).
- Families without children of the appropriate age may host an adult chaperone for 2 or 4 week stays.
- Complete an application and successfully pass a background screening and home visit.
- Attend required host family orientations and gatherings.
- No special activities need to be planned since these youth want to experience American culture, make new friends, and improve their English by staying with your family.
- This is a voluntary program; no stipends will be provided.
- **It is not required to be involved with 4-H to be considered.**

For more information, visit <http://go.ncsu.edu/4-hinternationalexchange> or contact your state coordinator:

Daniel P. Collins • NC 4-H International Programs State Coordinator
dpcollin@ncsu.edu - Phone: 919-515-4759

Please NOTE: Host family selection is dependent on completion of an application and screening process as well as student availability and personality compatibility.
