Frequently Asked Questions

What is an EIN?

The Employer Identification Number is a unique identifier for an organization, much like we each have our own Social Security Number.

How do clubs obtain an EIN?

Club or group leaders complete the IRS' SS-4 form, "Application for Employer Identification Number" and send it to the IRS. Club leaders need to complete all the fields, using the information provided. Leaders should provide their 4-H agent with a copy of the completed SS-4 application. Use County Office mailing address.

Does every group need to obtain an EIN?

Those making \$25,000 or more each year should already have an EIN and be reporting income to the IRS using a 990. IRS requirements, in compliance with The Pension Protection Act of 2006, require small tax-exempt organizations to file annually with the IRS. This includes groups earning from \$0 up to \$25,000, or in the absence of active fundraising, groups that may accept a donation. Only those groups with \$0 income and no intention of accepting gifts are not required to have an EIN.

What about 4-H military clubs?

Army and Air Force 4-H Clubs do not need an EIN nor inclusion under the 4-H GEN as these clubs do not handle money nor have bank accounts. Any fundraising conducted by these clubs must be sponsored by an appropriate private organization (i.e., a military Officers' Wives Club or Youth Booster Club) that handles funds and records on the club's behalf.

What address should be used for the contact person?

The volunteer leader and 4-H Agent should be the contact person. Use the County 4-H Office as the mailing address on all checking accounts.

What goes in fields 11 and 12 (business start date & closing month of accounting period)?

The North Carolina 4-H Club Year is January - December (January is the business start date and December is the closing month of accounting period)

What information does a group leader need to file an ePostcard?

It's a short, simple list of information, including the legal name of the club/group, County 4-H Office mailing address, EIN, annual tax period, annual gross receipts, and if the group has terminated.

When do groups file the e-Postcard?

This annual electronic notice is due by the May 15th each year, the 15th day of the 5th month after the close of business (end of club year) in North Carolina 4-H.

You will need to provide documentation each year to the State 4-H Office so counties should file by Feb. 1 each year.

What happens if a group doesn't file by the deadline?

Recognize that the IRS is operating on a 3-strikes-and-you're-out ruling – IRS fees will apply for groups that repeatedly fail yet try to get on the list.

What happens if I do not complete the forms and upload them during the Enrollment and Re-Enrollment Period?

You will be removed from the 4-H GEN and will be asked to close your bank account.

Annual Filing Requirements (Must have 4-H Agent and Leader do this together)

Tax-exempt organizations are required to file annual information forms with the IRS. Forms include the Form 990, or the 990-N (e-Postcard). Filing the form is necessary to maintain an organization's tax-exempt status. Filing should be done after the close of the 4-H year (January 1 – December 31) or by May 15th at the latest. Filing is the responsibility of the 4-H Leader/Volunteer in charge of the account.

Most small tax-exempt organizations whose annual gross receipts are normally \$50,000 or less are required to electronically submit Form 990-N, also known as the e-Postcard, unless they choose to file a complete Forms 990 or 990-EZ instead.

Any tax-exempt 4-H organization earning \$50,000 or less during the tax year must file Form 990N which is an annual electronic notice.

How to File Form 990N e-Postcard

User Guide: <https://www.irs.gov/pub/irs-pdf/p5248.pdf>

1. All 4-H clubs/organizations in North Carolina need to file by Feb. 1 each year. Income reported will be for the previous January 1 – December 31: 4-H year.
2. 4-H clubs and organizations may not receive a reminder to file the 990N, so it is up to the club leader(s) to remember to file by the deadline.
3. Go to www.irs.gov and use the keyword/search field to find links to Form 990-N information ([Form 990-N e-PostCard](#)). Once on this page, select “How to File” and then follow the instructions below. Please note that filing requires you to leave the IRS site, and that is okay as that is the process the IRS has created.

IMPORTANT: For Users who have filed a 990N E-Postcard in the past: 4-H Agents will need to work with leaders to create a new user account for filing. New NC 4-H rules is that the 4-H Agent will use their county 4-H email address to log in. So you will need to create a new account regardless.

1. Register as a New User.
2. Create your Form 990-N (e-Postcard). Please note the instructions to log-in. (For example if your EIN is # 33-3333331 you would login using 3333333301)

To complete Form 990-N, qualified 4-H Clubs and Affiliated 4-H Organizations need to provide the following information:

1. Organization’s legal name – as legally chartered or otherwise formally tied to the organization’s EIN. If it does not find it try North Carolina State University, then club name)

2. Any other names your organization uses (not relevant for most 4-H Clubs and Affiliated 4-H Organizations)
3. Organization's mailing address – as tied to the organization's EIN
4. Organization's website address – if you have one
5. Organization's EIN – this is a unique number that identifies the organization to the IRS. This is what you received after sending in your SS-4 Form.
6. Name and address of the principal officer of your organization – same as the name and address provided on the SS-4.
7. Organization's annual tax year – the tax year for North Carolina 4-H is January 1 through December 31.
8. Confirmation that your organization's annual gross receipts are normally \$50,000 or less
9. The e-Postcard includes an option for stating that your organization has or is terminating, but isn't relevant for GEN 5935. Do not select to terminate as the overall organization is NC State University.

3. Submit your Form 990-N (e-Postcard).

Steps to follow if you get an error message when you try to file your 990N (e-Postcard) or are unable to file:

1. Please contact IRS Customer Account Services (CAS) at 877-829-5500.
2. Indicate that your organization (4-H club, Leaders Association, 4-H Livestock Committee, etc.) is a subordinate of a central organization called "North Carolina State University" The EIN for NC State University is 56-6000756 - If and only if you are listed under our 4-H GEN. Those clubs/groups are updated annually and have specific guidelines each year during the annual enrollment period.
3. Tell the IRS that your group exemption number (GEN) is 5935.
4. Please note that the Tax year for NC State is a fiscal year – July 1 – June 30. They may need to note this. NC 4-H is a January – December year but for the purpose of filing – June 30 is the university date should the IRS have problems finding your club/group.

A partnership, corporation, REMIC (real estate mortgage investment conduit), nonprofit organization (church, club, etc.), or farmers' cooperative must use an EIN for any tax-related purpose even if the entity does not have employees.

² However, do not apply for a new EIN if the existing entity only (a) changed its business name, (b) elected on Form 8832 to change the way it is taxed (or is covered by the default rules), or (c) terminated its partnership status because at least 50% of the total interests in partnership capital and profits were sold or exchanged within a 12-month period. The EIN of the terminated partnership should continue to be used. See Regulations section 301.6109-1(d)(2)(iii).

³ Do not use the EIN of the prior business unless you became the "owner" of a corporation by acquiring its stock.

⁴ However, grantor trusts that do not file using Optional Method 1 and IRA trusts that are required to file Form 990-T, Exempt Organization Business Income Tax Return, must have an EIN. For more information on grantor trusts, see the Instructions for Form 1041.

⁵ A plan administrator is the person or group of persons specified as the administrator by the instrument under which the plan is operated.

⁶ Entities applying to be a Qualified Intermediary (QI) need a QI-EIN even if they already have an EIN. See Rev. Proc. 2000-12.

⁷ See also *Household employer* on page 4 of the instructions. **Note.** State or local agencies may need an EIN for other reasons, for example, hired employees.

⁸ See *Disregarded entities* on page 4 of the instructions for details on completing Form SS-4 for an LLC.

⁹ An existing corporation that is electing or revoking S corporation status should use its previously-assigned EIN.

The North Carolina 4-H Treasurer’s Notebook was updated by Dr. Shannon B. McCollum and adapted by Kate Guerdat, Extension Associate, North Carolina State University Cooperative Extension Service, from material developed by the Michigan State University and University of Arkansas Cooperative Extension 4-H Youth Development Program.

ABOUT BEING

AN OFFICER

The treasurer and all the other officers of your 4-H group are representatives of your 4-H club or group. As the treasurer, you represent your own group and the 4-H program throughout the state. Your skills, abilities, standards, ideals, speech – and even smiles – represent North Carolina 4-H'ers. Representing others is one of an officer's most important responsibilities because it exists at all times –not just while you are at a 4-H meeting.

ABOUT BEING

THE TREASURER

The treasurer is responsible for the accuracy of details within the notebook. This includes tasks such as taking care of the group's money and bank accounts. These responsibilities require honesty, integrity, and cooperation with your group's members and leaders.

ABOUT THE

TREASURER NOTEBOOK

This North Carolina 4-H Treasurer's Notebook is designed for use by the treasurer and the leader so that together they maintain all financial records. Maintaining the notebook is the responsibility of the treasurer, however all members should help keep records up-to-date and accurate. Members should assist during annual audits and ensure that all receipts and vouchers are completed in a timely manner.

THE TREASURER'S

RESPONSIBILITIES

Check the following items to verify that you understand and accept these responsibilities:

- ◇ I will inform the bank in which my 4-H club or group's funds are deposited that I am the new treasurer and sign the appropriate forms so I can write checks drawn on the account.
- ◇ I will handle all money matters for my 4-H club or group. I will work with the adult leader to ensure that all financial materials are complete and accurate.
- ◇ I will keep an accurate record in the treasurer's book of how all money is used.
- ◇ I will deposit all funds that my group earns or receives in the bank as soon as possible after receiving them.
- ◇ I will pay all of the group's bills promptly as directed by the members and approved by the president.
- ◇ I will prepare and present a summary of income and expenses at each meeting. I will also report the current balance of all accounts.
- ◇ I will maintain the financial records in an orderly fashion and produce them for the audit committee annually.
- ◇ I will complete the Annual Summary Financial Report at the end of the club or group year, maintain a copy, and submit the report to my county Extension office.

HANDLING

MONEY

4-H clubs or groups are public groups, open to all without regard to race, color, national origin, sex, disability, religion, or age. The money that groups receive from dues, bake sales, and other fund-raising events are owned by the group, not by any one member or any group leader. Because 4-H is a public organization, it is not owned by individuals the way a company is owned. Instead, 4-H is owned by the public. Therefore, the responsibilities of the 4-H club or group treasurer are quite different from those of the treasurer of a private company.

A treasurer in a privately owned company is responsible to the other officers of the company and to the owners or stockholders for managing and controlling the assets of the company. These assets include cash, bank accounts, buildings, land, and equipment. The treasurer of a 4-H group is responsible not only to the other officers, but also to the other members, the adult leaders, and the public. (Most 4-H groups only have cash or bank accounts to manage, rather than land, buildings, and equipment.)

You are in charge of “keeping the books,” that is, your group’s receipt book, checkbook and check register, payment vouchers, and bank statements. When handling funds for a public group, you must meet very high standards of accountability. (Remember, you are handling other people’s money too!) You can meet the high standards required of a 4-H treasurer by studying and following the money handling methods found in this treasurer’s notebook. These standards apply whether a group has 25 cents or \$2,500 in the treasury.

Conflicts may arise if money is not handled carefully and accurately. You can protect yourself and your 4-H group from conflict by being careful, responsible, and accurate when handling the group’s finances.

RECEIPTS

When you receive money from a fund-raising activity, always write a receipt for it. Writing a receipt takes a little time, but it helps protect your reputation. Without a receipt, there is no way to prove that your 4-H club or group received a specific amount of money or that you handled it correctly. Your 4-H group should have a receipt book with pre-numbered, two-part receipts that have a copy for you and one for the person receiving the payment. (They are available from many office supply stores.) If you make a mistake and have to void a receipt for any reason, mark both copies “VOID,” staple them together, and keep them with the treasurer’s records.

RECEIPTS FOR MONEY

FROM FUND-RAISERS

If your 4-H group holds a fund-raiser such as a bake sale or carwash, you do not need to write a receipt for each person buying a cookie or having his or her car washed, but you (or the shift leader) need to write one at the end of each shift or at the end of the day. Each group of workers must account for the money they have received.

Two people should count the money, agree on the amount, and turn the money over to you, the treasurer. It is a good idea for you to verify the amount in the presence of the people giving you the money. Then give them a receipt for the amount they gave you.

BANK

DEPOSITS

Before you deposit a check, the person or group to whom it is payable must endorse (sign) the back of it. Checks that are made payable to the group must be endorsed by signing the group name (as written on the check) and the treasurer's name. If someone writes a check payable to you that is intended for your 4-H group, endorse it by writing "Pay to the order of (your group name)" and sign it. You may want to have a rubber stamp made with the group name and account number on it to save time and strain on your writing hand.

Keep these things in mind when making deposits:

- ◇ Deposit all funds promptly. If your group receives more than \$10 at any time, deposit the money within three days.
- ◇ Endorse checks immediately when you receive them.

PREPARING

DEPOSITS

Total the receipts written since you made the last deposit, and compare that amount with the amount of cash, coins, and checks you intend to deposit. The two figures should agree. If they do not, repeat the process. When the two figures do agree, prepare a deposit ticket or slip. If your group has a checking account, a supply of deposit slips is usually included at the end of each pad of checks. Most banks also keep deposit slips in the bank lobby.

Follow these steps when filling out a deposit ticket or slip:

1. Date the deposit slip.
2. Fill in the amount of currency (bills) and coins you are depositing.
3. List each check number and its amount separately (use the back of the slip, if necessary).
4. Record the deposit in the checking account register.
5. Complete a duplicate with the bank receipt.

APPROVING AND

PAYING BILLS

Part of your treasurer's report is asking for and receiving the club or group members' approval to pay the outstanding bills. After the members approve paying the bills, write a check for the approved amount for each bill. The usual way to pay bills is with a check. Holding cash back from deposits and then using the cash to pay bills is not a good practice because it does not leave a record or provide proof of payment. A proper receipt for each payment made protects your reputation as treasurer.

PAYMENT

VOUCHERS

A payment voucher is a form that records your 4-H group’s approval to pay a bill. Prepare a payment voucher before paying any bill. After a bill is approved, prepare a check to pay the bill. After you write a check to pay a bill, attach the invoice (bill) or receipt to the payment voucher and finish filling out the payment voucher.

WRITING

CHECKS

Follow these steps when writing checks:

1. Use ink.
2. Never erase a mistake. If you make a mistake, write “VOID” on the spoiled check and start a new one. Keep the voided check. Do not destroy the check.
3. Write the current date on the check.
4. Start writing the name of the person or business to whom the check is payable as close to “Pay to the order of” as possible.
5. Leave as little space as possible between the figures and words when filling in the amount lines. This helps prevent someone else from changing a \$1 check, for example, into a \$100 or \$1,000 check.
6. Begin writing the amount at the extreme left of the amount line. Be sure the written amount agrees with the numeric amount. Avoid writing checks for less than \$1, but if you must, start the amount” line by writing the word “Only” and then the amount.
7. Sign the check with your authorized signatures, the same way you signed the signature card at the bank when you became treasurer. Signatures should include the club treasurer and the adult volunteer, who cannot be within the same household. If the treasurer is the daughter or son of the club leader, another member or adult leader of the club needs to sign as the adult volunteer.
8. If a check written on the group’s account is lost, notify the customer service department of the bank at once.

MAINTAINING

THE CHECK REGISTER

To keep your 4-H group's check register up-to-date, follow these steps.

1. Write the check number and the date it was written in the appropriate columns.
2. In the "description of transaction" column, write to whom the check was made payable.
3. Enter the check amount in the "payment/debit" column and in the balance column. Then subtract the check amount from the remaining balance on the line above and enter the new balance immediately below.
4. You can use the "T" column at the end of each month when you reconcile the account against the bank statement. Use this space to check off the checks that have cleared the bank. (This information comes from the bank statement or the checks that have been returned to you.)
5. The "Fee, if any" column is the place to list any fees the bank has charged your group for cashing or purchasing checks or for preparing an account statement. Any fees will appear on the account statement. Enter the fee amount and subtract it from the account balance.
6. Record the amount of any deposits in the "deposit/credit" column. Then add the deposit amount to the account balance on the line above and record the new account balance straight across.

THE TREASURER'S REPORT

The treasurer's report informs members about the group's financial activity for the past month. After you complete a copy of the "Monthly Treasurer's Report," circulate a copy of the report and the bank statement among the members. Then present for the group's approval the bills to be paid in the next month.

After the group has reviewed your treasurer's report and verified that it is reconciled with the bank statement, a member moves to accept the treasurer's report, the motion is seconded, and the group votes on the motion. If the motion is approved, the secretary enters a copy of the treasurer's report into the minutes. The secretary keeps the bank statement, payment vouchers, annual summary financial reports, and all receipt books in the group's permanent records.

4. **Expenses.** Summarize the expenses for each event or activity. List the event, the date, and the amount spent on each event. (For example, the pizza party might include drink, pizza, plates, cups, napkins, and cookies.) Add all the expenses for each event together so that there is only one line for each event. Add the expenses for the year together, and write the amount on the **Total Expenses for Year**.
5. Add the **Account Balance at Beginning of Year** and the **Total Income for Year**, and then subtract the **Total Expenses for Year**. The total is the **Account Balance at End of Year**.
6. Now compare the **Account Balance at End of Year** with the end-of-the-year bank statement. If it does not agree, add any outstanding checks that have not shown up on bank statements, and subtract deposits that have not shown up on bank statements. If it still does not agree, go back and check that you have

included all the revenues and expenditures for the year. This activity is essentially the same as reconciling a checkbook, except the report summarizes all financial activities.

END-OF-THE-YEAR

BOOKKEEPING

At the end of your 4-H year, you must complete some special tasks with the treasurer's notebook and records. Your county Extension agent will request you to submit an Annual Financial Report, Audit Report, and Annual Inventory Report that reflects the current state of your club finances.

The **Annual Financial Report** is a snapshot of your club finances. Complete this form and pass it along with the required documentation to the club audit committee. An audit occurs when the audit committee reviews the financial report and other records to make sure that money was collected and spent appropriately and to ensure there are no differences between the treasurer's records and the bank's records.

As the treasurer, you must submit your records for the audit committee's review. The audit committee checklist below indicates the records that need to be presented to the audit committee. Once the committee has these records, they can complete the audit forms. After the committee has completed the report, you should send a copy of the Financial Statement, Audit Report, and Annual Inventory Report to the county Extension office. Be sure to retain one copy of each document for your records.

FINANCIAL GUIDELINES FOR 4-H CLUBS OR GROUPS

Clubs and groups do not pay county, state, or national membership fees. Local groups may choose to raise money for their goals through fund-raising, dues, or both. A group treasury is optional but necessary if funds are maintained for group use. Fund-raising should be done for the good of the total group and should be consistent with the county's 4-H fund-raising policies. Fund-raising should not be the main focus of group activities nor exclude any individual from participation. Groups are expected to support the financial needs of the total group and, when possible, to assist with participant costs in county, state, national, and international programs.

The following guidelines are in effect to help 4-H groups fulfill their responsibilities for handling funds:

1. Every 4-H group that has a checking or savings account is required to have an Employer Identification Number (EIN). 4-H groups with money in a bank need to apply for an EIN from the Internal Revenue Service using Form SS-4. Be sure to put "4-H" as the first word of your group name on the form and on your group bank accounts. The group needs to report its EIN to the bank and the county Extension office. You can apply for an EIN by telephone, by fax, online, or by mail, depending on how soon you need to use the EIN. Effective January 1, 2008 all clubs with any financial balance or transactions must file the IRS form 990 N which can be found at <https://www.irs.gov/charities-non-profits/annual-electronic-filing-requirement-for-small-exempt-organizations-form-990-n-e-postcard> The confirmation must be submitted to your county 4-H office annually.
2. All 4-H Clubs or Groups must file the appropriate IRS form 990N each year. These should be completed by February 1 of each year in order to meet the NC 4-H deadline. It is the responsibility of each person in charge of the checking account to work with the 4-H Agent to file this form annually. This should be done together. IRS account log in should be housed with the 4-H Agent.
3. Payments should be made only in response to a formal **written** bill or invoice. The itemized invoice, clearly stating what was billed, with the check number and date of the check on it, will become a permanent part of the treasurer's records. This practice is very important to protect the treasurer's reputation.
4. Some groups prepare a budget for the year. A budget is a written plan for raising and spending money over a set period of time, usually one year. Since the members of the group approve the budget, it is not necessary to seek approval for payment of items already listed in the budget. If a group does not have a budget or expenses arise that are not part of the budget, each item needs to be presented to the members for approval before payment. This accomplishes two things. First, all expenditures of the group funds are made with the full approval of the group. Second, this is a great way for the club or group members to learn how money flows into and out of an organization.
5. All money received should be acknowledged with a written receipt, preferably pre-numbered. The receipt should also include the amount received, the source of the funds (such as a car wash or plat book sale), the date, and the name of the person making the payments. These receipts are the backup documentation for any bank deposits made. The receipts should also become a permanent part of the club or group records. All receipt books should be kept for the current year and three years prior.
6. If any receipt is voided, the original receipt should be maintained with the official copy of that receipt.

7. If a member/representative turns in money collected from several people, one receipt may be written directly to that member if documentation is attached to the receipt listing (1) individuals from whom money was collected and (2) the amount collected from each.
8. All 4-H clubs and groups are required to complete an Annual Financial Report, Audit Report, and Annual Inventory Report. These reports must be turned in to the county Extension office at the end of the fiscal or calendar year.
9. Each club or group should have at least two names on the bank account, preferably at least one adult and one youth (with neither adult leader being the parent of the treasurer). The group also might consider requiring dual signatures for expenditures that exceed a pre-set amount.
10. All fund-raising activities within a county using the 4-H name and emblem should be reviewed and approved by the county Extension agent before the event. All money collected using the 4-H name must be used only for 4-H activities. Because these funds are publicly accountable, they must not be used in any way to enrich individuals. This means money may not be given out to individual group members or others. Funds should be used to pay for recognition of achievements, scholarships, educational programs, activities, workshops, or 4-H group supplies. Money may be transferred to fund county, state, or national programs.
11. Noncash donations to groups (for example, consumable donations of supplies or miscellaneous items) should be acknowledged by writing a description of the donation and giving it to the donor. A copy of the acknowledgement must be kept in the group treasurer's records. Non-consumable donations, such as equipment or animals, should be accepted only if the group is prepared to accept the responsibilities of ownership including car maintenance and insurance. Written acknowledgement should be sent to the donor, and a copy must be kept in the treasurer's records. The Internal Revenue Service requires that a specific set of written documents be completed by the donor and the donee if a noncash gift is valued at \$5,000 or more. In such a case, consult a qualified attorney. Valuation of a noncash donation is the responsibility of the donor, in consultation with his or her tax advisor and individuals qualified to appraise items of this type. It is not appropriate for a 4-H group, staff member, or a volunteer to place a value on donated time.
12. Donors cannot specify the individual recipient of cash or noncash donations. Clubs or groups should not feel compelled to accept noncash donations. The Extension agent responsible for 4-H Youth Programs should be contacted whenever the group has questions about the appropriate action with respect to accepting and managing any donation.
13. When any merchandise is purchased from a group or a noncash contribution is made, only the amount paid in excess of the fair market value of the item may be deducted as a charitable contribution. Again, it is the responsibility of the merchandise owner or donor, not the volunteer group, to determine the fair market value of a product.

Any 4-H club or group that disbands with money left in its account must turn over those funds to the Cooperative Extension Service 4-H program or other exempt volunteer organizations.

a. Example of an acceptable distribution of left-over funds:

- Donation to another community group or the countywide group (such as another 4-H club or the County 4-H Foundation).

b. Examples of unacceptable distributions of funds:

- Dividing the leftover funds among members.
- Sponsoring a trip or party for the members for the purpose of using the funds.
- Cash gifts to members, county agents, or other non-qualifying entities.

14. If a club or group becomes inactive or ceases to exist, the appropriate county Extension agent has the obligation and authority to ensure the appropriate disposition of any remaining assets.
15. Another responsibility in sound financial management for groups is a system for examination and audit of financial statement balances, assets, and the established accounting system. Each club or group should have its financial statements and related books and records audited at the end of each fiscal or calendar year.
16. Many clubs and groups find it useful to acquire and maintain certain tangible assets in support of the organization's educational goals. This would include assets such as real property (land and buildings), equipment, supplies, and vehicles.
17. Fiscal responsibility for these tangible assets rests with the individual club or group, and these assets are not a part of the University inventory.
18. It is the responsibility of the person in charge of the checking account to keep the records up to date and notify the 4-H Agent of any changes.
19. Groups are encouraged to inventory these assets on an annual basis for two reasons: (1) to document their location and (2) to provide a historical summary for both acquisition and disposal. To avoid burdensome recordkeeping, include in this inventory report only assets with a useful life of more than one year and an initial value of \$250 or more.

PEER REVIEW

AUDIT GUIDE

Audit committees for youth groups should include two non-related adult leaders and two non-related youth members. The committee's purpose is to review the accounting records and financial statements prepared by the treasurer for accuracy and reasonableness. Committee members should not include the treasurer, anyone related to the treasurer, or anyone involved in the financial affairs of the group.

These annual procedures should be completed by the audit committee at the end of the fiscal year:

1. Check each month's reconciled bank statement and canceled checks. Make sure the check-register postings are current and complete.
2. Examine all voided checks. If a voided check is not on file, verify that the check has not cleared the bank.
3. Total all funds received. Verify that cash receipts were written and that funds received were listed on ledger reports.
4. Total all deposits made to the bank account. This total should equal the total of all funds received, unless treasurer's ledger reports show that some funds were retained as petty cash.
5. Total all expenditures. Verify that a written bill is on file for all expenditures. Verify that all expenditures were paid by check, not in cash.
6. Examine the Annual Financial Report. Verify that the amounts listed agree with the amounts in the treasurer's ledger reports, the total in the check register, and the bank statements.
7. The treasurer's total balance at the beginning of the year (bank balance plus petty cash), plus all funds received, minus all expenditures, must equal the treasurer's total balance at the end of the year (bank balance plus petty cash).
8. Examine the club inventory sheet and make sure that all property and equipment have been properly accounted for and documented. A letter or receipt should be on file for each gift received, documenting the donor, date, value, and any restrictions placed on the donation by the donor.
9. Complete and submit the Audit Report, Audit Review Committee Checklist on page 19 and 20 to the 4-H Agent.
