The number of votes a county can cast is based on the number of 4-H'ers enrolled in the official forms of 4-H membership special order, Article III, Section 1. Each county will have four votes, plus one additional vote for each 100 members enrolled in 4-H clubs with a maximum of 30 votes from these, one additional vote for each 100 additional reported members with a maximum of 10 votes from these. The electoral vote will be determined from your 4-H membership as reported on "Annual 4-H Youth Enrollment Report: Form ES-237. This total number of county votes may be cast for each office.

DISTRICT VOTING PROCEDURE:

1. Each voting delegate will submit a completed copy of FORM III and orally report the county's vote for each candidate and the votes will be tabulated. If a candidate receives a majority of votes on the first ballot, then the candidate is elected. If no candidate has a majority, a run-off will be held between the two candidates with the highest number of votes. If the completed copy of FORM III is not submitted, the county's vote will not be tabulated.
