JUNE 8 - GROWING RESILIENT 4-H'ERS (6:00 - 7:00 PM)

Register here by June 4th:

<https://go.ncsu.edu/growing>

Adverse childhood experiences (ACEs) are traumatic events that occur in childhood. However, ACEs can be prevented. In this interactive, conversational workshop, you will learn about ACEs, the science of resilience, and tools to reset your own nervous system, which will allow you to help the youth you serve to do the same.
