NC 4-H TEAM Shooting Sports Registration Worksheet (2022)

All registration must be submitted online at go.ncsu.edu/4h-shooting-sports-state. Complete this registration worksheet for youth who will be competing as part of a team. A team consists of three to five competitors. Youth may only represent *one* team. At least three of the 3-5 members must be registered for each event in order to be scored as a team. Check the disciplines each competitor will shoot as part of this *team*. If team members are shooting additional events individually, fill out a separate individual registration form.

NOTE: This is not the registration form. Please read the instructions below and submit your official registration online.

Submitting the Online Registration:

- If all of the team members are competing in *exactly* the same events, you will only have to submit the online registration form once for this team.
- If Youth A, B, and C are shooting Rifle and Youth B, C, and D are shooting Archery, you will need to submit separate online forms for each discipline.
- If any team members are shooting additional events as individuals, you will submit additional online forms for each youth to register their individual events. (Filling out separate forms is important for the officials to make sure youth are registered in the correct events.)
